I. BASIS FOR JURISDICTION

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. In a diversity case, no defendant may be a citizen of the same State as any plaintiff.

FACTS:

State here briefly the FACTS that support your case. Describe what happened, how you were harmed, and what each defendant personally did or failed to do that harmed you. Attach additional pages if needed.

I read the lawsuits of supposed "Victims" of Sean Combs AKA Diddy etc. Cassie Ventura is not a victim. There is no proof she is a "victim" but a participant in her own words. She stayed because she was worried about her career, mind you only day/week/months in she was already participating in what she calls "Freak Offs" days, week, months in she wasn't held against her will or forced but by greed and lust of money, fame, power and sexual explicitcy. In practically days Diddy didn't want to sleep with her but allowed her to have Freak Offs where he'd watch her and her fellow sex worker engage in sex. Page 5 according to Cassie Ventura, Cassie Ventura then says Diddy didn't want to pay for her

Sexcapades but wanted her to pay for her own. This shows he was trying to avoid sex with her himself. She may have been trying to force herself on him to get famous. She stalked Ryan Leslie to a club, Diddy's former collaborator on Bad Boys Soundtrack and began dating him. It didn't work out for her career so she left Ryan Leslie, who she met at a club when his song was playing in the club. She was dancing on a baguette to be noticed by him. Diddy signed her because of Ryan Leslie then Cassie started showing up in clubs where Diddy was partying pretending it was accidental.

He'd be somewhere and she'd show up. He sent her away the first time. Cassie appears to have **INJURIES:** Stalked Diddy and Ryan Leslie to become a sugar baby and get sugar daddies to help her career. If you were injured as a result of these actions, describe your injuries and what medical treatment, if any, you required and received.

I, Diddy, Ryan Leslie and many others are harmed because everyone thinks "singers" "musicians" are sex crazed, looking for sugar daddies to make them famous when they have no talent. Cassie was horrible her first performance making Diddy's brand and musicians look bad. Cassie as a sugar baby got an apartment from Diddy, contract under fraud, false pretenses, and without the skill or intent she pretended was pure.

IV. RELIEF

State briefly what money damages or other relief you want the court to order.

All money Sean Combs AKA Diddy paid Cassie Ventura on every contract, royalties, video etc. void contracts; Cassie Ventura deemed by court to have tried to prostitute herself to Diddy and Ryan Leslie who passed her onto someone else at her behest. She would do anything for fame "her career" as she stated. Her parents deemed to have prostituted Cassie Ventura as well as she did herself. Her parents went to her apartment Diddy bought her and agreed because they were

the other accusers in the criminal case have stories that are tall tales and at least have them being Negligent and Responsible for all that they did willingly. One female spoke about going to the bathroom with Diddy at the Elks Club to talk, whether it happened or not. She didn't go to the bathroom with Diddy to talk upon meeting him for the first time at a party for someone else's Biggie Smalls. She then says after she came out of the bathroom from Fictitious "rape" she thought his staff might harm her. She is speaking as someone who now knows his staff is implicated. Back then she wouldn't have known if his staff was there or if it was just a rented space and he showed up or there was Elks Club staff there. She wasn't afraid of his staff while disgustingly going into a bathroom with a stranger Diddy - but was upon exiting without contact.

She never spoke about any contact with Diddy's staff positive or negative. So why upon leaving the Bathroom only Diddy and she knew they were in there supposedly. For the sake of argument. (Not that this story is true or actually occurred)

She snuck into the bathroom not fearing Diddy's staff or knowing them, If they were there etc. She all of a sudden in her "recollection" tainted by lawsuits depictions and stories she's heard. now fears staff who wouldn't know Diddy and her were in the Bathroom or that Diddy "raped" her supposedly. She added fear of his staff because new lawsuits were stating his staff "helped him" But the time she is speaking about he was newer to the industry and may not have had staff there at all or they didn't know a woman would ever go into a bathroom with Diddy. This is obscene what she's revealing about herself.

Going to someone's house by yourself may be risky but not negligent per se. but going into a bathroom at a club with someone you don't know just because they are famous make her look easy like she wanted to do something sexual. her depiction may be completely fictitious and none of it happened. but it's very seedy. many lawsuit "victims" are not victims based on their story.

Based on their own "stories" they are at least negligent in anything that occurred or happened to them, and went to Sean Combs parties, many sought them out because of the negative rumors circulating throughout the industry that weren't true. Cassie Ventura had to be aware of all of the press and rumors around Diddy. Cassie Ventura stalked Diddy to a club where he was partying, pretending to bump into him there. He was displeased and sent her home. She was supposed to be his artist only. She tried to party with him at a club. She tracked him to, he said no. She pursued him and pretended he pursued her. Just like how she met Ryan Leslie. She knew where famous people partied. She left Ryan Leslie to sign to Diddy and prostitute herself for fame. Many people working for Diddy were only for Cassie's desires.

Sean Combs didn't force them into labor, he didn't want to pay for their freak offs. Sean Combs told Cassie Ventura, according to her lawsuit to pay for her own freak offs in her own words. Therefore he wanted her to be responsible for her own sex life. Apparently he wasn't interested and wanted her to pay her own sex workers. The sex workers complained he wouldn't pay them. He didn't want to pay for sex. He told Cassie to pay for her own sex life since he only watched sex between her and sex workers. According to Cassie Ventura's lawsuit, "Calling Cassie Ventura 'victim' or 'victim' is highly prejudicial and a mischaracterization of her willingness to sleep with sex workers. 1:24-cr-00542-AS 1:23-cv-10098-DIC.

She's upset with Diddy he didn't furnish money to pay for her sex with sex workers so it would be traced to him and a sex life he wanted no part of.

Cassie must have heard about Rumblings of something happening with Diddy and JLo another dating who uses sex to propel her "career" JLo was just Busted lipsynching Ashanti Douglas' music and voice and pretending it was her Jennifer Lopez. We may also have to find out if Cassie Ventura presented lipsynching vocals or altered vocals to Sean Combs and others. Since music isn't always live and people hand in vocal tracks or others as their own.
